1. Did the course meet your expectations? Why or Why not?
I didn't know what to expect. I have found it extremely helpful.
2. Was the course presented well? Were the ideas discussed in the chatroom, course text, and transcript notes well-organized and conveyed clearly?
Yes and Yes
3. Were the assignments beneficial to the learning process? Why or why not?
Absolutely. I will use this info the entire program. I'm much more confident.
4. What did you like most about the course? What did you like least?
Most – the valuable insight it gave me Least – trying to keep up on the keyboard
5. Would this course be something you would recommend to a friend considering law school? Why or Why not? (Please be as honest possible, I will not take any of your comments personally.)
Yes. If one can learn all the info in this course, chances of success in law school will be greatly increased.

I may use some of your comments for testimonials on the website. If so, your email address (but not your name) will be provided. If you object to this please let me know.
